## ENHANCE YOUR SPACES

FUN TREE enhances your indoor and outdoor spaces by bringing an elegant and magical atmosphere. With its dedicated, simple, easy-to-use application you can choose and create the atmosphere for your moments of relaxation, parties and all your events....

### Control light with the Fun Tree app

Choose different pre-recorded programs to create moods depending on your events or moods.

Do you want to be able to adapt the programs to your company's colors? It's easy! Create your shade in one gesture.

Connect several Fun Tree trees for simultaneous or independent management... It's up to you!
